FROM OUT OF THE BLUE

Q. What are some of the recent projects that you've been working on?

A. I just finished [filming](#) a guest starring role for the upcoming [movie](#), *Into The Blue 2: The Reef* with director Steve. We just completed filming in Hawaii. I am also busy working with my website, TheAmandaKimmel.com and am promoting a line of posters I have available. Additionally, I am starting my own swimsuit line.

Q. How did it feel being a part of the favorites on the last "Survivor" season?

A. It was amazing because I was a fan of the show and it was really neat to compete with people who I had been watching on TV and that were some of my favorite players. It was a fantastic experience and I really enjoyed it.

Q. What made you want to return to the show for a second time?

A. I went to win. I am a very competitive person and I wanted to make it to the end again and go home with the win.

Q. You will also be seen in the movie *Into The Blue: The Reef*, what can you tell us about the premise and about your character?

A. I am pretty much playing myself in the movie and it's a guest starring role. I'll portray a volleyball player in this film, which is the sequel to *Into The Blue*. It's an [action film](#) with some big stars. Audrina from "The Hills" is involved and it about these kids who find themselves wrapped up in a big crime that they don't even know that they are involved in.

Q. Was anything about the role that you found challenging?

A. Actually this was a really fun role for me as I do in fact play volleyball. It was kind of challenging, however, as we shot all day long. It was tiring but still a lot of fun. I don't think I can do anything much more challenging than "[Survivor](#)." It's hard to find things right now in my life that are really seem challenging.

Q. Where can those interested in learning more about you go online to do so?

A. They can go to TheAmandaKimmel.com

Q. What would you like to say to your fans and supporters?

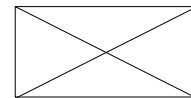

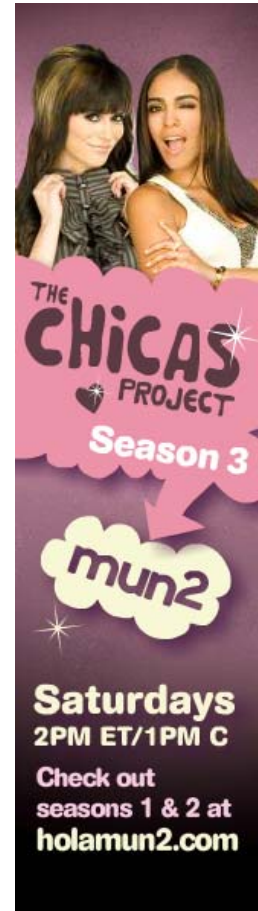

A. I would just like to say thank you for all of your support! It's been a really crazy experience and quite an adventure. It's been extremely memorable and I just want to thank all of my fans for their support.
